

Transit Permit Generation Process

After Login Transporter need to verify the Mobile and PAN details for Generating Transit Permit.

Step 1

Transporter needs to Click on the "Transit Movement " Link to generate the Transit Permit . System will ask for OTP sent on Transporter registered mobile number.

Step 2

Transporter needs to fillup the required details in open webform, Transporter needs to ensure that entered Consignor / Consignee TIN no is valid and available on TINXSYS.

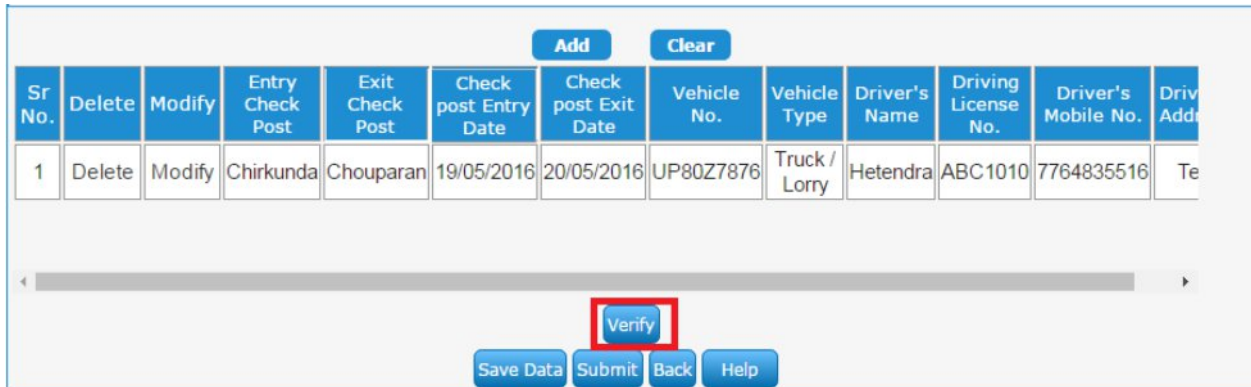

This entered TIN number will be validated with TINXSYS system . If TIN is not verified with the TINXSYS than system will show alert for those TIN.

Step 3

While entering the details in Invoice Section Transporter Needs to Enter the Destination State Permit Number in Highlighted text box.

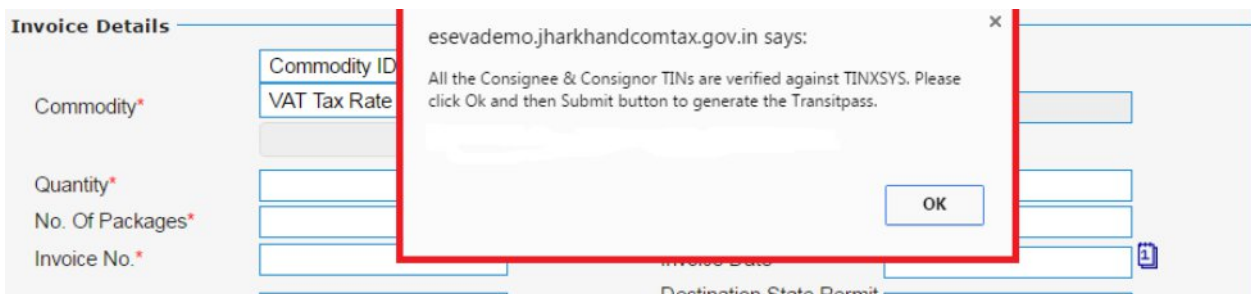

Step 4

After entering the details in Web Form Transporter can Save the data using "Save Data" button . Before submission transporter need to Click on Verify button to verify the entered details with TINXSYS.

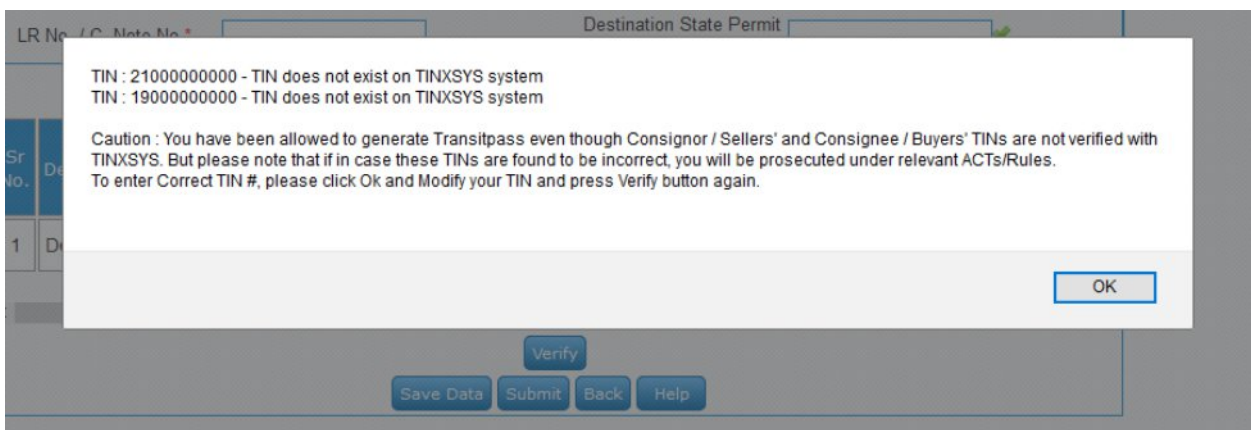

The screenshot shows a web form interface with a table of data and several buttons. The table has the following columns: Sr No., Delete, Modify, Entry Check Post, Exit Check Post, Check post Entry Date, Check post Exit Date, Vehicle No., Vehicle Type, Driver's Name, Driving License No., Driver's Mobile No., and Driv Addt. The first row of data is: 1, Delete, Modify, Chirkunda, Chouparan, 19/05/2016, 20/05/2016, UP80Z7876, Truck / Lorry, Hetendra, ABC1010, 7764835516, Te. Below the table, there are buttons for 'Add', 'Clear', 'Verify', 'Save Data', 'Submit', 'Back', and 'Help'. The 'Verify' button is highlighted with a red box.

If TIN are verified with TINXSYS below message will appear .

The screenshot shows a message box from esevademo.jharkhandcomtax.gov.in. The message reads: "All the Consignee & Consignor TINs are verified against TINXSYS. Please click Ok and then Submit button to generate the Transitpass." There is an 'OK' button at the bottom right of the message box. The background shows a form with fields for 'Commodity ID', 'VAT Tax Rate', 'Quantity', 'No. Of Packages', and 'Invoice No.'.

If Tins are not verified with TINXSYS , then below message will appear and you will be prompted to enter correct TIN :

The screenshot shows a message box from esevademo.jharkhandcomtax.gov.in. The message reads: "TIN : 21000000000 - TIN does not exist on TINXSYS system
TIN : 19000000000 - TIN does not exist on TINXSYS system
Caution : You have been allowed to generate Transitpass even though Consignor / Sellers' and Consignee / Buyers' TINs are not verified with TINXSYS. But please note that in case these TINs are found to be incorrect, you will be prosecuted under relevant ACTs/Rules.
To enter Correct TIN #, please click Ok and Modify your TIN and press Verify button again." There is an 'OK' button at the bottom right of the message box. The background shows a form with fields for 'LR No.', 'C. Note No.', and 'Destination State Permit'.

Step 5

Once the details are submitted , OTP will be sent on the mobile number of consignee , transporter need to click on the below highlighted link to validate the Buyer OTP to generate the Transit Permit PDF.

Transit Pass Details

Transit Pass generated successfully.

A message containing an OTP has been sent to all the Consignees. To validate their OTP [Click Here](#), or go to eServices -> Validate Consignees' OTP. After successful verification only you will be able to generate Transitpass PDF.
